RULE NO. 19

SUPPLY TO SEPARATE PREMISES AND RESALE

A. Separate Metering

Separate premises, even though owned by the same customer, will not be supplied through the same meter, except as specifically provided for in the applicable rate schedules.

B. Other Uses or Premises

A customer shall not furnish or use gas received from the Company, either upon premises or for purposes other than those specified in his application for service.

C. Resale of Gas

A customer shall not furnish or resell gas received from the Company to any person, except:

1. Where gas is purchased under rate schedules that specifically provide for resale service; or
2. Where no charge is made or where the charge to tenants is absorbed in the rental for the premises or space occupied and is not shown or billed as a separate item in the rental charge; or
3. Where the customer is the owner, lessee, or operator of an apartment house or other multi-family dwelling, and resells gas to residential tenants at the same rates and charges that the Company would charge for the service if supplied by it directly.

D. General

In the event that gas is furnished or resold, otherwise than as provided for above, the Company may discontinue gas service to the customer. Where feasible, the Company will, upon appropriate application, furnish gas service directly to the subcustomers.
