**GUARANTEE PAYMENT:**

The Company shall guarantee against excessive increase of customer costs for the first year of enrollment in the program. If the total energy costs incurred on this Schedule for the first year exceed 10% over what costs would have been for the same period on the customer’s default rate schedule, the net difference will be credited on the customer’s bill following the end of the first year of service under the program. No Guarantee Payment shall be given if customer terminates service on the program before the end of the first year on the program.

**ENROLLMENT:**

The Customer must complete the Company’s enrollment process to participate in this service. Initiation of service under this Schedule will occur following acceptance and processing of the enrollment request by the Company.

**TERMS AND CONDITIONS:**

1. The Customer must consent to be contacted by the Company, its affiliates, or third parties for the purposes of load and program studies.
2. The Customer must provide the Company access to the meter. Should any meter fail to register or register accurately the amount of electricity used by the Customer during On-Peak and Off-Peak time periods, the amount of such use will be estimated by the Company from the best available information, as determined by the Company.
3. The Customer must consent for their individual usage to be studied in order to provide feedback to the customer on their usage and how they may optimize potential savings by changing usage behavior.
